

FUNDING OPPORTUNITY	CATEGORY	ADMINISTERED BY	TIMEFRAME	ELIGIBILITY	DESCRIPTION	MORE INFORMATION
Energy Efficiency and Conservation Block Grant Program	Energy Efficiency	Department of Energy - Office of Energy Efficiency and Renewable Energy	Q4 2022	States, Local Governments, Tribes	To assist in energy use and fossil fuel reduction and energy efficiency improvements.	Click here
Energy Storage Demonstration Pilot Grant Program	Energy Efficiency	Department of Energy - Office of Clean Energy Demonstration	Q3 2022	Technology Developers, Industrial Entities, State and Local Governments, Tribal Organizations, Community Based Organizations, National Laboratories, Utilities, Universities	To enter into agreements to carry out 3 energy storage system demonstration projects.	Click here
Grants for Energy Efficiency and Renewable Energy Improvements at Public School Facilities	Energy Efficiency	Department of Energy - Office of Energy Efficiency and Renewable Energy	Q3 2022	Consortium of One Local Education Agency and one or more Schools, Non-Profits, For-Profits, and Community Partners	To provide competitive grants to make energy efficiency, renewable energy, and alternative fueled vehicle upgrades and improvements at public schools.	Click here
Long-Duration Energy Storage Demonstration Initiative and Joint Program	Energy Efficiency	Department of Energy - Office of Clean Energy Demonstration	Q3 2022	Technology Developers, Industrial Entities, State and Local Governments, Tribal Organizations, Community Based Organizations, National Laboratories, Utilities, Universities	To establish a demonstration initiative composed of demonstration projects focused on the development of long-duration energy storage technologies.	Click here
Solar Improvement Research & Development	Solar	Department of Energy - Office of Energy Efficiency and Renewable Energy	Q3 2022	Higher Education, Tribes, Industrial Entities, State and Local Research Facilities, Tribal Organizations, nonprofit research organization, National Laboratories, any other entities as approved by the Secretary	To fund research, development, demonstration, and commercialization activities to improve solar energy technologies.	Click here
Solar Recycling Research & Development	Solar	Department of Energy - Office of Energy Efficiency and Renewable Energy	Q3 2022	Higher Education, Tribes, Industrial Entities, State and Local Research Facilities, Tribal Organizations, nonprofit research organization, National Laboratories, any other entities as approved by the Secretary	To award financial assistance to eligible entities for research, development, demonstration, and commercialization projects to create innovative and practical approaches to increase the reuse and recycling of solar energy technologies.	Click here
National Electric Vehicle Infrastructure Formula Program	Electric Vehicles	Department of Transportation - Federal Highway Administration	Closes 8/1/2022	States	Nationally to strategically deploy electric vehicle charging stations and establish an interconnected network to facilitate data collection, access, and reliability.	Click here
Charging and Fueling Infrastructure Grants (Community Charging)	Electric Vehicles	Department of Transportation - Federal Highway Administration	Notice of Funding Opportunity in 2022	Local government, Metropolitan Planning Organizations, States, Tribes	To install electric vehicle charging and alternative fuel in locations on public roads, schools, parks, and in publicly accessible parking facilities. These grants will be prioritized for rural areas, low-and moderate-income neighborhoods, and communities with low ratios of private parking, or high ratios of multi unit dwellings.	Click here
Charging and Fueling Infrastructure Grants (Corridor Charging)	Electric Vehicles	Department of Transportation - Federal Highway Administration	Notice of Funding Opportunity in 2022	Local government, Metropolitan Planning Organizations, States, Tribes	To deploy electric vehicle charging and hydrogen/propane/natural gas fueling infrastructure along designated alternative fuel corridors and in communities.	Click here
Clean School Bus Program	Electric Vehicles	Environmental Protection Agency - State and Tribal Assistance Grants	Open Now	State or local governments, eligible contractors, tribes, and nonprofit school transportation associations	To replace existing school buses with low- and zero-emission buses.	Click here
